WINE COOLER

DUAL ZONE

This sleek stainless steel Full Size Dual Zone Wine Cooler is ready to store your wines perfectly at two different serving temperatures and includes features such as Full-Extension Wood Racks, vertical LED light strips in three colors and four light levels, an illuminated control panel, and an updated kickplate with built-in lock. Also boasts an auto-illuminating function that sets the lighting to the highest brightness level when the door opens for greater visibility. Sleek, chic, and ready to serve.

Full-Extension Wood Racks

How Presrv[™] Stands Out:

PreciseTemp™

Multiple internal sensors help maintain accurate temperatures and increase overall performance

Active Cooling Technology

An on-board computer controls active cooling fans to provide temperature stability and even cooling

Vibration Dampening System Enhanced technology ensures noise and vibration is reduced to minimize wine disturbance

3-Color LED Lighting Available in Cloud White, Deep Blue and Amber

PRESRV™

WINE COOLER
